8/16/2007	1685, 1670, 1321, 1325 California	Trees have either died or been removed and remaining tree grate has an open hole where the tree once was. Can these holes be somehow covered.	DOT	Steve Bailey	DOT staff will work with Park Board staff and the abutting owners to decide what best to do at these locations. Holes were filled with mulch. - Completed
8/16/2007	Berkley & Reading Road	Concern about development and added traffic at this intersection. Request traffic signal and update on developments status.	DOT	Steve Bailey	The City has reviewed a traffic impact study submitted by the developer. This study shows that a traffic signal will be needed at Berkley and Reading and that other improvements will be needed to mitigate the added traffic that comes from the development.
